# NEW JERSEY SOCIETY OF MUNICIPAL ENGINEERS

IMPROVING THE QUALITY OF LIFE OF NJ COMMUNITIES THROUGH MUNICIPAL ENGINEERING

June 1, 2011

Dear Mayor:

The New Jersey Society of Municipal Engineers invites your municipality to participate in the 2011 Municipal Engineering Project of the Year Awards Program. This program is designed to give recognition to outstanding municipal projects involving the many talented Municipal Engineers in the state. **This year, we have further expanded the program by making Engineers who are not the named Municipal Engineer also eligible to receive an award. In addition, three (3) awards will now be conferred for each of the following award categories, providing an excellent opportunity for your municipality to be recognized.**

President  
FRANK SENEY JR., P.E.

Vice President  
STANLEY SCHREK, P.E.

Treasurer  
JOHN MEDINA, P.E.

Secretary  
AL YODAKIS, P.E.

We suggest that you encourage your Municipal Engineer to prepare a simple application for this, our 34<sup>th</sup> annual awards program. It is one of the few opportunities available to showcase superior public projects and municipal engineers. Applications have been sent to your Engineer under separate cover and are due to be completed no later than September 16th.

A panel of judges will be selected to review the entries and recommend awards. An awards presentation ceremony will be held on November 16th, 2011, at the Society's Annual Meeting Luncheon which is held in conjunction with the 96<sup>th</sup> Annual League of Municipalities Conference in Atlantic City.

Your participation in this program is critical to documenting municipal success stories and offers the municipalities whose projects are selected as winners an excellent opportunity for favorable publicity.

Sincerely,

*Frank Seney*
